CHAMBER MUSIC

Chamber music requires special skills both musical and social that differ to those learned playing solo or in an orchestra. Each afternoon students have the opportunity to work in small chamber groups suited to their own level. Working together to improve their interaction with each other as well as their playing technique.

The Friday evening concert offers students the opportunity to show the skills they have learned during the week.

Gloucestershire
Academy of
Music

Gloucestershire Academy of Music Holiday courses have been running for over 30 years with students returning year after year.

This year the Academy's residential summer courses are held in the heart of the Gloucestershire Cotswolds.

The Music

A range of repertoire is chosen appropriate to the standard of the students.

In 2016, this included Suite from Lord of the Rings, Mascagni's Cavalleria Rusticana, Mendelssohn's Fingal's Cave Overture and the first movement of Beethoven's Symphony no 5.

SENIOR ORCHESTRA

6th to 12th August 2017

The appeal of a Gloucestershire Academy of Music summer holiday course is that students bring their own tents and camp in the grounds of our chosen venue.

In 2017 our summer courses will be based at Winchcombe School, Greet Road, Winchcombe, GL54 5LB.

With a spacious rehearsal hall, plentiful rooms for sectionals and a huge expanse of outdoor space for fun and games, Winchcombe School offers all the facilities needed for a fun filled music making week.

Meals are provided in the Dining Hall and all meals and tuition are included in the course fee.

The Tutors

A Gloucestershire Academy of Music holiday course offers students the opportunity to work closely with highly experienced and inspirational tutors who are also professional musicians themselves.

Welfare Staff

Our highly experienced and very popular welfare teams help make the course a fun-packed week. They look after the students when they are not participating in music sessions and are skilled at dealing with all eventualities and provide excellent pastoral care. Activities outside music-making time could be swimming*, visits to nearby student friendly attractions*, teen treasure hunt, obstacle race, mini-Olympics, etc.

*Students are asked to bring a small contribution towards trip expenses.
